

HANSE 531E YEAR 2004 – OCEAN READY

The HANSE 531E -015 "WHITE NIGHT" is a 2004 performance cruiser that effortlessly blends speed, elegance, and reliability, promising unforgettable sailing experiences. Extensively equipped and meticulously maintained, "WHITE NIGHT" stands as one of the finest Hanse 531 yachts available today. With just seven summers of sailing, mostly in the pristine, unsalted waters of the Baltic Sea, and the rest of her time spent under the expert care of Sailinvest boatyard in Estonia, she is in impeccable condition. Currently based in Barcelona, Spain, she has had only three owners, each of whom has treated her with the utmost care and attention to detail.

Recently, "WHITE NIGHT" has been fully outfitted for ocean cruising, featuring all-new electronics, an upgraded engine, and new sails installed between 2019 and 2023. This yacht is not only ready for global voyages but has also proven her performance on the water by winning this year's ARC Atlantic crossing. This outstanding achievement highlights her speed and reliability as a true performer.

"WHITE NIGHT" is a seamless fusion of elegance, performance, and comfort. With her sleek Judel/Vrolijk design, spacious layout, and high-performance features, she is the perfect choice for those seeking both adventure and luxury on the open sea. If you are looking for a yacht that offers stylish, effortless ocean crossings while standing out in any marina, then "WHITE NIGHT" is the vessel for you. Don't miss this extraordinary opportunity to own a yacht that strikes the perfect balance between performance and sophistication. Finnish owner. VAT paid.
