

Swan 38, 1974

Swan 38 is a 1970s classic with a legendary reputation and timeless beauty. Designed by Sparkman & Stephens, it became Nautor's most popular model, with 116 hulls built. The yacht now for sale, *S/Y Dictator*, is hull number three. She is in good condition, with her long-term owner having carried out extensive refits and upgrades over the years. Swan 38 is at her best when sailing upwind, moving steadily through heavy seas thanks to her deep V-shaped hull. Her substantial displacement gives her motion a sense of dignity and calm. As is typical of Swans from this era, she features a powerful masthead rig and a large foretriangle. Below deck, the interior is warm and inviting, with accommodation for up to eight adults. The layout is a proven offshore classic, and the quality of the joinery is pure Nautor craftsmanship at its finest. This highly seaworthy and exquisitely hand-built yacht continues to meet every standard required for serious bluewater sailing today.

Location: Turku, Finland

Measurements:

Hull length: 11,66m

Beam: 3,52m

Draught: 2,00m

Displacement: 8500kg

Ballast: 3200kg
